

ASIAN CORPORATE GOVERNANCE ASSOCIATION

FINANCIAL SERVICES MEMBERSHIP BOOKLET 2024

ACGA – A quarter century at the forefront of CG reform in Asia

- Since 1999 the Asian Corporate Governance Association (ACGA) has played a unique and constructive role in the evolving Asia-Pacific corporate governance (CG) ecosystem.
- We are a not-for-profit membership association founded in Hong Kong shortly after the Asian Financial Crisis. We remain headquartered in Hong Kong and operate in 12 markets around the region.
- ACGA's goal is to promote systemic improvements in CG regulation and practice in Asia through independent research, advocacy, and education.
- ACGA is entirely funded by its members and does not receive government grants or sponsorship.
- We view good public and corporate governance as key to healthy, long-term capital market and economic development, including sustainable development.
- We believe there is a need to put a firmer governance foundation under ESG, sustainability, and corporate net-zero efforts in Asia.

Financial Services Membership

ACGA recognises the valuable intermediary role played by financial service firms in securities research and investment banking in the corporate governance ecosystem in Asia.

One of our earliest sponsors was a leading stock broker that led the way in analysing the governance attributes of listed companies.

ACGA sees potential for much greater involvement of financial service firms in helping to raise standards of corporate governance and risk management within Asian capital markets. This will enhance the scope for investment within the region and bring more listed companies up to internationally accepted standards.

Financial Services Membership – Approval Process

1. Under ACGA's articles, our Council is required to approve each new membership application.
2. The criteria for financial services membership are principles-based:
 - A clear commitment to the spirit of corporate governance.
 - Support for ACGA's objectives and principles.
 - Evidence of efforts made to support governance improvements among your clients.

The ACGA Secretariat ascertains the answers to these questions through discussion with prospective members and independent due diligence. We report our findings to the Council's Membership Committee.

3. Following a review, the Membership Committee may wish to seek clarification of information provided by an applicant.
4. Membership approval will be given if the Council believes that an applicant meets the criteria for membership and will add value to the Association's member network. Approval will not be given if the Council believes otherwise or sees any potential conflict of interest.
5. The Council reserves the right to expel any member from the Association if it believes that the member no longer upholds the required standards of membership.
